Art Competition

REIMAGINING OUR WORLD

TITLE: AI & ME- REIMAGINING OUR WORLD ART COMPETITION 2026

TARGET AUDIENCE: Primary and Secondary School Students

Primary & Secondary School Students

TASK:
Create a piece of art that shows how you imagine artificial intelligence (AI) could change your life and the world around you. Think about how AI could help you learn, support your family, improve your community or protect the environment.
Your artwork could show an AI helper, a smarter school, a new invention or a future where people and technology work together to solve everyday problems. Explore the possibilities while showing why human creativity, kindness and responsible choices still matter.

GUIDELINES /RULES FOR CONTEST:

- Entry MUST be the authentic work of the student. One (1) entry per student).
- Participants' artwork should demonstrate imagination and innovation in concept and design and skilful use of art materials to create the artwork.
- The artwork can be done in one of the following media – drawing, painting, collage OR a combination of the media- drawing, painting and collage.
- The size of the artwork MUST be no smaller than 11 inches X 11 inches and no larger than 17 inches X 17 inches and should be done on Bristol board, manila paper or any other appropriate paper.
- Students must provide a written explanation about their entry in order to help the judges understand the students' thoughts and purpose in creating the particular art piece. The explanation (no longer than one page) should provide information that the student would want the judge to consider about his or her piece during the evaluation process.
